

# Scott County School District 2

Responsible Technology Use in  
the Elementary Schools

# Disclaimers

- SCSD2 Elementary schools reserve the right to deny or revoke technology access to any student that fails to comply with the Responsible Technology Use policy.  
(Agreed to by parents during registration)
- Students may also receive school discipline and/or be financially liable for damages caused by misuse.

# Expectations

- This an exciting time and it is a great opportunity for us.
- The iPad is owned by the school and loaned to you.
- This is an educational tool, NOT a toy, and should be used for educational purposes.
- We expect RESPONSIBILITY 24/7.

## Expectations (cont.)

- We expect good digital citizenship. You will learn more about this throughout the year.
- Tip #1: Everything you do online is PUBLIC and PERMANENT.
- SCSD2 students will follow all technology rules any time they use the iPad, whether at school or outside of school.

# Privacy and Security

- There is NO privacy on SCSD2 owned iPads.
- Your activity will be monitored by the SCSD2 content filter at school and home and by teachers/staff during the school day.
- If you see a security problem (inappropriate image or message), report it immediately to an adult.

## Do's...

- Use your iPad to engage in meaningful learning activities.
- Use your iPad to complete assignments and projects.
- Use your iPad to download eTexts of your books, if available.
- Personalize your home screen. Make sure a picture of you and/or your name is visible on the lock screen.

## ...and Don'ts

- DON'T share your password with anyone or use other students' passwords.
- DON'T change the profile settings on your iPad without permission.
- Don't send inappropriate messages or look for, copy, publish, type, create, display, or forward inappropriate material.

## ...and Don'ts (cont.)

- DO NOT take a picture or a video of anyone without his or her permission.
- iPads are NOT allowed in the restrooms at any time.

# Care Instructions

- Keep the OtterBox case on your iPad.
- Do not scratch, mark, or decorate your case or iPad. No stickers or markers.
- Do not remove the ID sticker under the case.
- Take your charger home and leave it there. Make sure you find a safe place for it where it won't get damaged or lost.

## Care Instructions (cont.)

- Charge your iPad every night.
- Keep the iPad away from extreme temperatures (Hot/Cold Cars, for example).
- Keep the iPad away from water and other liquids.

## If Damaged or Broken:

- You and your parents will be responsible to pay to repair or replace damaged or lost equipment.
- Do not let anyone borrow your iPad. If someone else is using it and something happens to it, it is still your responsibility.
