4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

Continue to identify the students affected by these barriers and reach out to the student population. We will connect more students to the high schools and educate them on 9th grade participation in high school sports. We actively encourage all students to try new activities. Last, we have begun more work with the AD at the high schools to come to school multiple times a year. We now host the AD speaking to all 8th grade students at end of year for next years sports opportunities and help available.
