February Special Election

Puyallup School District is asking voters to consider two levy proposals on the Feb. 8, 2022 Special Election ballot. Local levies are vital in filling the gap between state and federal funding and the actual cost of providing critical services to students, staff, and learning environments.

Levies are for learning and help fund experiences and spaces that support the whole child both in and out of the classroom. Together, the Replacement Educational Programs and Operations (EP&O) Levy and Capital Levy will provide quality and supportive learning experiences and spaces for Puyallup students, setting them up for success now and after high school.

Visit the [district website](#) or attend an upcoming [Levy Informational Town Hall](#) to learn more.

Register to vote through Jan 31

The deadline to register by mail or online in the Feb. 8 Special Election is Monday, Jan. 31. All registrations must be postmarked by this date.

Voter registration forms are available [online](#) or by calling the Pierce County Elections Division at (253) 798-VOTE (8683).

COVID in Schools Update

It is important for you to know that although the Omicron variant is creating a transmission surge in our community, our focus remains on keeping schools open. We are not expecting a statewide school building closure like we saw in 2020.

We will continue to communicate what we know, when we know it. We should soon receive updated K-12 guidance from the Department of Health to align with updated U.S. Centers for Disease Control and Prevention (CDC) guidance.

Thank you for your partnership. It will take everyone's collaborative effort using every mitigation strategy necessary to ensure no disruption to in-person learning.

Puyallup School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups.
