

Puyallup School District
HUMAN RESOURCES DEPARTMENT
Employee Resignation/Retirement Form

The information requested below will assist the Human Resources Department in accurately calculating your pay, providing information to SEBB for your benefits, providing accurate and timely information for state and federal reports and will assist us in our internal staffing efforts

If you resign/retire at the end of a school year and intend to be paid through August, please put August 31st as your resignation/separation date.

Please give specific rather than general reasons for your resignation or retirement. For example, "My spouse has been transferred to another location and I am moving there with my family," would be more helpful than the statement, "I am moving away."
