

PSD MATH REVIEW: ALGEBRA I

This packet is a general review of important concepts in Algebra I (Chapters 1-3).

In this packet, you'll find:

A) Pearson re-teaching lessons broken down by chapter so students can see examples from each chapter if useful

B) Need math help 24/7? Click on this link to Khan Academy. Search by topic to see examples done on video. For example, students could search "factoring quadratics" or "exponential growth and decay" or "rules of logarithms."

These videos can be found at: <https://www.khanacademy.org/>

C) Contact your math teacher directly via e-mail or Schoology for questions, help & support. Reach out to your teachers!

What if math teachers are really pirates and just want us to find X so they can get the buried treasure.

Puyallup School District Virtual Learning Resources

Virtual Learning Opportunities – Puyallup Teachers will communicate lessons and activity resources through your child’s Schoology Course or Group. Your child’s teacher is ready to support your student through virtual learning!

Clever- a platform that makes it easier for schools to use many popular educational technology products. Essentially, it is a “bookmark” bar for the educational system- curriculum, support, and accessible links are housed in one location. You can access through PSD Favorites folder in the internet browser on a district issued device.

PSD Sites (District)

Schoology- The Puyallup School District platform teachers use to communicate, send course updates, collect assignments and assessments, host Schoology conferences (audio and video) and is the electronic gradebook.

Greetings Parents and Guardians:

This school year, all students in the Puyallup School District will have an account in our new Learning Management System called **Schoology**. We encourage all parents to set up an account as well. }
