Brief: Andrews University and Berrien Regional Education Service Agency (Berrien RESA) are hosting the 2022 Michigan High School Research Symposium on Friday, April 29, 2022 on the campus of Andrews University from 9:30 a.m. to 1 p.m.

The event will showcase Berrien RESA's Berrien County Mathematics & Science Center (BCMSC) students as well as several other students from southwest Michigan as they formally present research, engage in conversations about their experience, and discuss college-level lab techniques.

Registration for the public is required. Guests wishing to attend should contact Tonya Snyder at tonya.snyder@berrienresa.org. There is a \$10 entry fee, which covers the cost of lunch.

Members of the media are encouraged to attend. It will be a great opportunity to meet and interview some of the County's brightest students. Please RSVP your attendance by contacting Karen Heath, Supervisor of Communications, at karen.heath@berrienresa.org. Lunch expenses will be covered for those media members who RSVP and attend the event.
