

What are Playgroups?

Playgroups are free literacy-based events for families with children ages birth-5 years of age. Each playgroup is based on a children's book and features hands-on family fun activities such as:

- Story time
- Sensory play
- Creative art experiences
- Fine and gross motor centers
- Infant area
- Snack time

Playgroups last for one hour and have a casual, easy-going feel. A short circle time begins after most of the group has arrived. Each family will receive the featured book to take home. The rest of the time is set aside for parents to play and spend time with their child(ren). Playgroup ends with another quick circle time where we will sing the "goodbye" song.

Playgroups are hosted by Berrien RESA's Early Childhood Education Department. Information and resources about child development will be available for parents. A highly qualified Parent Educator will be available to talk to parents about their child's development.

In accordance with Section 504 of the Rehabilitation Act of 1973, it is the policy of the Berrien Regional Education Service Agency to prohibit discrimination on the basis of handicap against qualified handicapped persons, in admission or access to, participation in, or treatment of employment in, its programs and activities. Inquiries regarding this policy should be directed to Human Resources, Berrien RESA, 711 St. Joseph Avenue, Berrien Springs, MI 49103; telephone (269) 471- 7725; fax (269) 471-2941.
