Lakeshore High School Wins 35th Annual Berrien RESA Science Olympiad Competition *Students to compete at Michigan State University this spring*

Berrien Springs-Last week, Lakeshore High School students took first place in the high school division of the 35th Annual Berrien RESA Science Olympiad Competition held at Lake Michigan College's Napier Campus. Second place in the high school division went to Berrien Springs High School. In first place in the middle school division was Upton Middle School. Second place was won by Lakeshore Middle School.

All four teams will now advance to the State Science Olympiad competition slated for April 30, 2022 at Michigan State University.
