School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: August 2020

Pursuant to the settlement of Williams vs. the State of California, Silver Valley Unified School District thoroughly inspected each of its school sites at the start of the 2020-21 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 8, 2020.

All students, including English Learners, are given their own individual textbooks and/or instructional materials in core subjects, as well as, foreign language and health (as appropriate), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in August 2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Newberry Springs School was originally constructed In 1938 and modernized in 1994. The campus is situated on 95 acres and comprised of five permanent classrooms, eight portable classrooms, a library, a multipurpose room, a pre-school playground, and three lower and upper grade playgrounds.

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the District's maintenance staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Silver Valley Unified School District, including regular facilities inspections, to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention.

Repair requests are completed efficiently and in the order in which they are received. The chart displays the results of the most recent school facilities inspection, provided by the district.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents and the community are very supportive of the educational program at Newberry Springs School. The Newberry Elementary Activity Team (NEAT) supports school events, school spirit activities, and campus beautification projects through fundraising and volunteer hours. NEAT also provides funding and resources to our students and families in need.

Parents are encouraged to be involved in their child 's education through volunteering in the classroom, participating in organized committees, and attending school-wide events held throughout the year. Parents are kept informed of school activities through frequent newsletters, fliers, recorded phone calls, text, email, social media, monthly calendars and various student assemblies/performances.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.8	3.8	3.0	4.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2	42	
Expulsions	0	1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a primary concern of Newberry Springs Elementary School. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among noon-duty aides, teachers, and the school administrator.

To safeguard the well-being of students and staff, comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans are reviewed annually with the staff. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school, notification to teachers, child abuse reporting procedures, school-wide dress code, routine and emergency routes, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment and safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards, safety drills, including fire, earthquake and intruder drills, which are held monthly.

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the California Standards for the Teaching Profession, which include: Engaging and Supporting All Students in Learning; Creating and Maintaining Effective Environments for Student Learning; Understanding and Organizing Subject Matter for Student Learning; Planning Instruction and Designing Learning Experiences for All Students; Assessing Students for Learning; and Developing as a Professional Educator.

Staff members received training for the adopted curriculum in ELA, Math and Science through workshops, virtual and face-to-face trainings. Continuous coaching and teacher support are provided throughout the school year as well.
