April 1, 2020

Dear Silver Valley Unified School District families,

I am disappointed to announce that due to the Novel Coronavirus pandemic, all schools in the Silver Valley Unified School District will continue to be closed through the remainder of the 2019-2020 school year.

Our district has designed a distance learning model for every student that will begin on Monday, April 6th, 2020 and will end on Thursday, May 28th, 2020. Details of our distance learning model will be communicated to our families by the site principal of each school this week.

Silver Valley Unified School District will continue to provide breakfast and lunch for every child in our community, age 18 or younger, for as long as this closure lasts. You DON'T have to be enrolled in our district to receive this service. We will have breakfast and lunch available from 10 am to 12 pm daily at Tiefort View Intermediate School, Yermo Elementary School and Newberry Springs Elementary School.

I want our families to know that every Silver Valley Unified School District employee is committed to helping our students successfully navigate this new way of learning. I understand this is a major disruption to our families, and I want our community to know we are here to help. As this situation continues to evolve, we are committed to keeping you informed. Please follow our district on Facebook and Twitter for the latest news and announcements.

I appreciate your patience and understanding as we work through this unprecedented situation. Together, we will get through this. #TheSilverValleyWay #SVUSDstrong

Sincerely,

Jesse M Najera

Superintendent
