Uniform Complaint Procedures

BP 1312.3(a)

Community Relations

The Governing Board recognizes that the district is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The district shall investigate complaints alleging failure to comply with such laws and/or alleging discrimination and shall seek to resolve those complaints in accordance with the district's uniform complaint procedures. (5 CCR 4620)

The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination against any protected group as identified under Education Code 200 and 220 and Government Code 11135, including actual or perceived sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, or age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program or activity that receives or benefits from state financial assistance. (5 CCR 4610)

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and career technical and technical training programs, child care and development programs, child nutrition programs, and special education programs. BP 1312.3(b)

Complaints related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, and teacher vacancies and mis-assignments shall be investigated pursuant to the district's Williams uniform complaint procedure (AR 1312.4).

(cf. 1312.4 - Williams Uniform Complaint Procedures)

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis.

****Note: 5 CCR 4621 mandates that the district's policy ensure that complainants are protected from retaliation. ****

The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.
