Superintendent Wellness Weekend Message

Dear Parents and Guardians,

We are four weeks in and I can confidently say that our teachers really have this down to a science. Actually, from Day 1, they all hit the ground running and I hope your children have not missed a beat. This week worked out well in helping students catch up, finish up, regroup, review and be ready to start Marking Period 4 on April 13. Thank you for your ongoing support and encouragement during this stressful time.

The news we are hearing from Governors Murphy and Cuomo is helping us to feel like there is light at the end of this dark tunnel. We have possibly hit the peak but we should all be warned that this could still be a long road. Please continue to take all of the necessary precautions and more! Keep washing your hands and using sanitizer, wear your mask if you must go out, but most importantly, keep your physical distance from others. Stay home! We have not been given any additional guidance about the duration of virtual learning but were told yesterday that it remains "indefinite."

As we move into our upcoming Wellness Spring Weekend, I wish all of you rest and relaxation and a bit of time away from the screen. As many of us will be celebrating Easter and Passover this weekend, please try to find enjoyment in the new ways we will celebrate and take comfort in knowing we are healthy enough to enjoy the time.

Best regards,

Beverly MacKay

Superintendent of Schools
