(EXPERIENCING SYMPTOMS)

**ASYMPTOMATIC**  
(SYMPTOM FREE)

**Vaccinated?**  
(2 weeks after completed series)

Send home recommend testing or quarantine at home for 14 days

Tested positive for COVID last 6 months?

**NO**

**YES**

Return to class no restrictions (as long as they remain asymptomatic)

Follow local Health Dept. guidelines

**YES**

**NO**

Return to class (as long as they remain asymptomatic)

Option 1: Stay in school wearing mask for 14 days from last exposure. Nurse monitor daily.

Option 2: Quarantine at home for 14 days from date of last exposure, if symptom free, may PCR test on day 7 for early release, if negative result may return to school no mask but continue to self-monitor for 14 days

Option 3: Pending staff and supplies availability, may opt to test daily for 7 days from last exposure and remain in school. Self monitor for 14 days. No mask required.
