

Moana 2023

Everything you need to know about Payments

There are many opportunities for our Moana cast, families, extended families, friends, and wider communities to financially support our show! The Theater Booster Club does NOT have a budget through RSA, so we rely on the generous support of many individuals and businesses to make our middle school musical possible.

There is one MANDATORY payment for all cast members: the costume fee. Please note that this fee only applies to actors in the cast, not to members of the Orffestra or set crew. All cast members are asked to pay their \$25 costume fee electronically via our Square website:

<https://tinyurl.com/rsamoanacostumes>

In addition to the script we will provide, **cast members** will need to bring two pencils, a self-contained pencil sharpener, and a highlighter to each rehearsal. Please keep these in a zipper pouch labeled with your name so that they do not get lost.

Cast members will also be responsible for providing undergarments, dance shoes, tights/socks, and a storage tub to keep belongings safe during the show. Exact requirements will depend on what role your student has in the show. The Costume Chair will be in touch about these details as soon as casting is complete. Scholarships and loaner items may be available in the event of financial need; please contact Mr. Carlson to discuss this need.

Orffestra members will be required to purchase an Orffestra t-shirt and a hat to wear during the performances. More information about these purchases will be provided by Mr. Burkett.

Set Crew members will be required to purchase a Set Crew t-shirt to wear during the performances. More information about this purchase will be provided by Ms. Warmington.

Other ways of supporting the show are OPTIONAL, but we greatly appreciate all of your efforts to bring in financial support for our production! Visit our Square website for easy and convenient access to t-shirt orders (including hoodies and short-sleeved t-shirts), sentiment ads, and sponsorship ads that are open to businesses of all kinds.
