***Due to limited space in the classrooms and safety issues, we prefer that students not use book bags with wheels.** However, if a student has a medical condition that makes a “rolling book bag” necessary, we will accommodate its use. Book bags that are “foldable,” without hard plastic bottoms, fit best in students’ cubbies. Please label all coats, hats, book bags, and sweaters. We would prefer that no toys or objects hang from back packs. Please do not purchase Trapper Keepers as they do not fit in the desks. Please do not send mechanical pencils to school.
