

# Illinois FBLA State Conference

---

## Competitive Events:

The FBLA-PBL National Awards Program recognizes and rewards excellence in a broad range of business and career-related topics. At the State Leadership Conferences, students compete in events testing their business knowledge and skills. Competitors that place in the top three at the State Leadership Conference are then eligible to compete for national awards at the National Leadership Conference each summer. At both the SLC and NLC, events are sponsored giving competitors a chance to earn monetary rewards for all of their hard work in preparation.
