

If you enjoy heavy equipment and working with your hands - we have a highly-beneficial opportunity for you to not only have a successful, but also a fun career with a family-oriented and thriving company.

Become a John Deere construction technician and learn all aspects of equipment repair, including engine operation, HVAC, power trains, hydraulics, electrical/electronics, fuel systems, and more! Martin Equipment sponsors students in 2-year diesel technician programs.

STUDENT Commitments:

- Room/board; parking; other expenses
- Maintain a 3.0 GPA or better
- Adhere to academic policies, rules, and regulations at school
- Abide by dealer policies and procedures
- Wear college tech program uniform
- Complete two paid internships during your sophomore year
- Earn an Associates of Applied Science Degree in Diesel Technology
- 2-year employment commitment after graduation

MARTIN EQUIPMENT Commitments:

- Tuition, Book, and Fee Reimbursement
 - Reimbursement paid after graduation in 4 equal payments, begins 6 months after graduation.
- Paid, Part-Time Internship (\$16.00 per hour)
 - Opportunity for full-time, entry-level service technician employment upon graduation
- Provide PPE and reimbursement of steel-toed boots, if necessary
- Provide mentoring and tools
- \$2,500 tool allowance after graduation

INTERESTED in learning more or taking next steps?

1. Please send an email to the Recruiting department at Martin Equipment: mwagner@meoi.com.
2. In the email, tell us you would like to know more about our Technician Sponsorship Program and include the following information:
 - First and last name
 - Home address, including city and state
 - Phone number, including area code
 - Email address
 - Anticipated high school graduation date
 - Tell us a little bit about yourself

3. We will respond to your email with next steps. We are so looking forward to hearing from you!
