

Fairlawn Elementary School

Fine Arts

TEACHER: MS. MARTYN

Art and Music

The start of a new academic year is an exciting time! As the Fine Arts teacher for all grade levels, I look forward to working with your child.

Music

Musical/Music: During December, K-3 will each have an opportunity to perform at least once. More information will be available at a later time.

Musical/Choir: There will be a spring musical production of, *Beauty & the Beast Jr* (offered only to 3rd-5th grade). More information will be given after Winter Break.

ART

Supplies: All art supplies are supplied in class. However, donations are gratefully appreciated. We take any type of craft and art medium ranging from string, paint, paper, glue (liquid or stick), markers, colored pencils, etc. ****Please do not donate anything that has already been opened or used.****

SPECIAL THANKS TO THE PEF AND LOVE FOUNDATION

The PEF & Love Foundation graciously donated funds used to purchase a new classroom kiln along with ceramic tools and extra clay. We want to extend our gratitude and appreciation to them for helping our students grow even more in the arts with these extra studio materials.

Projects: Art projects are constructed based on the Indiana State standards and include a wide range of types such as 3D, 2D, sculpting, and ceramics.

Website(s): There are two sites that I encourage every family to visit regularly to see your child grow in the arts, and to find important information about our school and classroom.

Weebly is my personal online blog, showing immediate access to my contact information, lessons, important dates and information, and songs/song lists for concerts and performances. Check us out here: karabaker.weebly.com

Artsonia: Artsonia is a very exciting opportunity for the students and families to take part in. Your child's artwork will be posted online under a private username. Products can be viewed and/or purchased providing a fundraising benefit for our Fine Arts program!

Thank you!
