Complaints under this Article are excluded from the grievance arbitration procedure in this contract. (Article VIII Step 4, A).

### **ARTICLE IV WORKING CONDITIONS**

A. Work Schedules:

1. Paraprofessionals.

a. Work Year: The Board reserves the right to schedule the work year for paraprofessionals between one hundred and eighty (180) and one hundred and one eighty-four (184) days, subject to paragraph 4 below, unless the unique needs of a student require an extended school year assignment. Days may be scheduled as full days or shortened days, as determined by the Board. A scheduled shortened day shall normally consist of a five (5) hour workday for paraprofessional working full-time.

b. Extended School Year (ESY): Should an extended school year assignment be required, it shall first be offered to the paraprofessional regularly assigned to work with the student. Should that paraprofessional decline the assignment, the extended school year assignment shall be made available to qualified paraprofessionals in the bargaining unit through an internal job posting. If no qualified internal paraprofessional is selected by the administration to fill the position, then the position may be posted and filled externally. If there is no qualified internal or external applicant, the Board may require the least senior, qualified paraprofessional to perform the assignment.

2. Cafeteria Workers.

a. Work Year: The work year for the cafeteria workers shall be between one hundred and sixty-five (165) and one hundred eighty-four (184) days, subject to paragraph 4.

b. Shortened Work Days: A scheduled shortened day shall normally consist of a five (5) hour workday for cafeteria employees working full-time. On shortened days when the Superintendent determines that breakfast will be served at Bacon Academy, the cook shall be designated as the employee responsible for preparing, serving, and cleaning up. The cook will be compensated for actual hours worked, or a minimum of two (2) hours, whichever is greater, at his/her normal rate of pay. If the cook is absent, the supervisor or a substitute shall provide the service.

In the event that Bacon Academy has an early dismissal for emergency or inclement weather purposes, regardless of time when called, Bacon Academy cafeteria employees will work for the students' scheduled day and any such employee who actually works the students' scheduled day shall be paid accordingly.

3. COTA/CDA:

a. Work Year. The Board reserves the right to schedule the work year for COTA/CDAs between one hundred and eighty (180) and one hundred and one eighty-four (184) days, subject to paragraph 4 below, unless the unique needs of a student require an extended year assignment.

b. Extended School Year (ESY): Should an extended school year assignment be required, it shall first be offered to the COTA/CDA regularly assigned to work with the student. Should that COTA/CDA decline the assignment, the extended school year assignment shall be made available to qualified COTA/CDAs in the bargaining unit through an internal job posting. If no qualified internal COTA/CDA is selected by the administration to fill the position, then the position may be posted and filled externally. If there is no qualified internal or external applicant, the Board may require the least senior, qualified COTA/CDA to perform the assignment.

4. All Employees: The work year shall be as assigned by the school administration in accordance with the school calendar. Employees shall receive a statement confirming hours of work and rates of pay at the beginning of the school year. If the Board changes the work year beyond the parameters set forth in the collective bargaining agreement, it will negotiate with the Union over the impact of the changed work year on members of the bargaining unit.

B. Working Conditions:

1. Employees shall be paid biweekly for hours worked, by electronic deposit to the financial institution of their choice. Any work performed above forty (40) hours in one week shall be paid at one and one-half (1½) times the hourly rate for hours

worked beyond the forty (40) hours in that week. The Board may schedule professional development sessions for employees, and require employees to attend and participate in such sessions. When such sessions occur outside the normal work day, employees shall be paid. At the request of a teacher, and after a paraprofessional obtains the prior written approval of the building administrator, a paraprofessional shall be available outside his/her regularly scheduled working hours for discussions with teachers about areas of programmatic and/or student needs. When such sessions occur outside the normal work day, employees shall be compensated for the additional time.

2. If in his or her discretion, the Superintendent releases employees early or permits a late start to the work day because of inclement weather or other good cause, such employees shall receive compensation for the hours they were otherwise scheduled to work, unless a full day is cancelled, in which case said day may be rescheduled by the Superintendent. The work schedule for each classification as assigned by the Superintendent shall not depend upon whether school for students is closed early, starts late or is cancelled for the day.
3. The administration shall establish work schedules for paraprofessionals as soon as student schedules are developed, provided that no paraprofessional that is a member of the bargaining unit will be assigned less than four (4) hours per day. If the work schedule results in a reduction in hours for a position from the previous school year, a more senior paraprofessional may displace the least senior paraprofessional and the displaced paraprofessional shall work the reduced schedule, provided both employees are similarly qualified to perform the assignment in question. The Board may change work schedules during the school year. In the event that a paraprofessional's hours are reduced during the school year, a more senior paraprofessional may displace the least senior paraprofessional and the displaced paraprofessional shall work the reduced schedule, provided both employees are similarly qualified to perform the assignment in question.
4. The reduction of a cafeteria worker's hours below four (4) hours shall be subject to seniority within the following classifications: cook, deli operator, general worker, side worker. The cafeteria worker whose position is being reduced below four (4) hours shall be entitled to displace the least senior worker in his/her classification with the most hours.

6. Vacancies directly caused by the creation of new positions, death, retirement, resignation or any other severance from employment shall be posted for five (5)

days on the district's website prior to making an appointment. However, the Board reserves the right to make interim appointments. The most qualified applicant to the position shall be appointed. Qualifications shall include: seniority and consideration of student and programmatic needs. Qualifications shall be determined by the Superintendent, whose judgment shall be final and binding. Non-bargaining unit substitutes may be hired by the Board to address short-term needs caused by employee leaves and/or absences, or to fill interim positions prior to the creation of a long-term position. The Board shall notify the Union President of such appointments, including the name of the substitute appointed, the name of the individual being replaced (if applicable), and the anticipated duration of the appointment.

- C. Paraprofessionals, COTAs, and CDAs will be given a duty-free lunch period of not less than twenty (20) minutes incorporated within the above designated work day. The need for limited breaks in specific situations shall be recognized and respected by certified staff and administration, provided such breaks are limited in scope, duration and regularity, and do not conflict with the primary responsibilities of the position. Cafeteria workers who are scheduled to work in excess of four (4) hours per day shall be entitled to fifteen (15) minute duty free lunch.

D. Tentative Assignments:

Paraprofessionals, COTA/CDA and cafeteria workers should be notified in writing of their tentative assignment for the next school year on or about the last day of the students' school year. Any change(s) made in the table of organization by the Board that leads to the elimination of positions within the bargaining unit shall be subject to discussion with the Federation at least two (2) weeks prior to the contemplated change(s). Paraprofessionals shall not receive a regular assignment consisting of the work regularly assigned to office professional employees.

E. Employee Protection:

The Board shall protect and save harmless any employee from financial loss or expense, including legal fees and costs, if any, arising out of any claim, demand, suite or judgment by reason of alleged negligence or other act resulting in bodily injury to or death to any person or damage to or destruction of property within or without the school building, provided such employee at the time of the occurrence resulting in injury, damage or destruction was acting in the discharge of duties within the scope of employment or under the direction of the Board as set forth in Connecticut General Statutes §10-235. This section is for informational purposes only.

F. Probation:

New employees shall serve a probationary period of seventy-five (75) working days, which do not include days missed because of illness or other leave. Employees shall have no seniority rights during this period nor paid personal leave time, but shall be subject to all other provisions of this agreement, except the right to grieve any

disciplinary matters through the grievance procedure. All employees who have completed the probationary period shall acquire length of service records as of the date of their employment, within the bargaining unit. During an employee's probationary period, an employee shall not be eligible for insurance coverage, except as may be required by law.
