It is recognized for school-based office professionals that vacation requests for the 5 days prior to start of school, the 5 days after start of school, the 5 days prior to end of school year, and the 5 days following end of school year are discouraged and will only be approved in extraordinary circumstances, with a 30 day advance notice, by the supervisor and Superintendent of Schools. ARTICLE VI
SENIORITY

A. Employees will have system wide seniority, based upon the length of continuous service with the Colchester School System, within a bargaining unit position. The Board shall prepare a list of employees showing their seniority in length of service and deliver the same to the Union on December 1st of each year. Unless the Union files an objection concerning the list within thirty (30) days of receipt of same, the list will be presumed to be correct for all purposes of this contract. The Union's objection shall be made in writing. Upon completion of their probationary period, new employees shall be added to this list, and credited with service to the date of most recent hire. Employees would not be eligible until the date they were employed to continuously work on the basis of twenty (20) hours or more per week, as a bargaining unit employee.

B. Layoffs:

In the event a position is eliminated, the employee holding such position (the "Affected Employee") shall be laid off. Instead of accepting the layoff, the Affected Employee, within forty-eight (48) hours of notification from the Superintendent, shall have the option to assume the duties of the least senior employee, provided the Superintendent determines that the Affected Employee is qualified to assume the duties of that least senior employee, on the basis of the following factors:

Employees have the right to respond by addenda affixed to such critical material.
- B. The employee shall upon request be given the opportunity to review the contents of his or her file. Reasonable requests for review shall not be withheld. The administrative supervisor shall meet with the grievant and a Union representative and must render his/her decision in writing, with copies to the grievant and the Union, within five (5) work days of the meeting with the grievant.

STEP II Failing satisfactory settlement within such time limit, the grievant may within five (5) work days appeal in writing to the Superintendent, and such writing shall set forth specifically the basis of the grievance. The Superintendent or his/her designee shall meet with the grievant and a Union representative within five (5) work days of receipt by him/her of such appeal and shall give his/her decision in writing to the grievant and the Union within five (5) work days of such meeting.

STEP III Board of Education
Failing satisfactory settlement within such time limit, the grievant may within seven (7) work days after receipt of the Superintendent's decision at Step 2 appeal in writing to the Board, and such writing shall set forth specifically the basis of the grievance. The full Board, or a committee of the Board, shall meet with the grievant and a Union representative at its next regular scheduled meeting or a special meeting within thirty (30) calendar days from the date the grievance was

submitted to the Board. The full Board, or a committee of the Board, shall render its decision in writing to the grievant and the Union within seven (7) work days of such meeting.

STEP IV Arbitration

Whether or not previously indicated at earlier steps, the provisions of the contract which are involved shall be identified in the submission.

- E. Fees and expenses of the arbitrator shall be borne equally by the Board and the Union.

General Provisions:

- A. A grievant may be represented at steps I - III of the grievance procedure by any person of his/her choice provided, however, that such person shall not be an official or a representative of any other employee organization. At Step IV, the Union has the choice of representative. When a grievant is not represented by the Union, the Union shall have the right to be present and to state its views at all steps of the grievance.

- B. Nothing contained herein shall be construed to prevent any individual employee from informally discussing a complaint with his/her immediate superior or processing a grievance in his/her own behalf in accordance with Steps I through II of the grievance procedure.

- C. Meetings held under this procedure shall generally be conducted on non-school time at a place that will afford a fair and reasonable opportunity for all persons proper to be present and to be heard. If, at the option of the Board, hearings are held during school hours, persons proper to be present shall be excused without loss of pay.

- D. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- E. The parties may mutually agree to participate in mediation, on such terms and conditions as may be established in writing.

ARTICLE IX

A. Information to the Union:

- 1. The parties shall make available to each other upon request any and all information, statistics and records which are relevant or necessary for the proper enforcement and implementation of the terms of this Agreement or for negotiating a successor agreement, to the extent to which such material is available or is reasonably obtainable, except for information which is legally privileged.
