Dear CPS Families and Staff,

As we close out another challenging year, I want to thank you for all you have done as a school community for our students. Together, we have weathered a continued storm, so that our children are able to build on their connections with peers, teachers, and the community as they learn in person together. As we look forward to the start of a new year, it brings with it a sense of renewal and hope.

Sending best wishes for happy and healthy holidays and a wonderful New Year!

Warm regards,

Jeffrey E. Burt
