

Good Morning Jackter!

We are excited to announce that Ms. Groves, the librarian from CES, will once again be hiking 26.2 miles to support Make-A-Wish CT in memory of Kyle Ashley.

Kyle was a classmate, friend, and student at CES who passed away from a severe childhood cancer. His older brother Jake was a Jackter student when this tragedy happened.

This is the second year we will come together to donate coins in memory of Kyle and to support Ms. Groves hiking her MARATHON!

Collection bottles are labeled and outside the Media Center Doors! Check your pockets, couches and car seats coins will be collected until June 17!

There will be a FANTASTIC DANCE PARTY hosted by Mrs. Johnson to the winning grade level on the last day of school!

Help us raise money for Make A Wish! Ask your teacher to share the [webpage and video](#) Mrs. Johnson sent out yesterday!

Thank you for your support!  
Mrs. Johnson and Ms. Groves
