Pullman School District Meal Charges / Unpaid Meals Procedures for Elementary Sites:

Students will be provided a school lunch if they did not bring one from home, and the meal will be charged to their account. The meal provided will be the same meal that is offered to all students that day. If you do not want your student purchasing a meal or ala carte item at school, we must receive a phone call from you in advance. Please call 509-332-5179.

Any ala carte items purchased will need to be paid for with cash or with money on account. No ala carte items will be sold to students with a negative account balance. If your student brings a lunch from home and wishes to purchase a milk, the cost is $.50. Water is always available at a filling station or water fountain.

Elementary students will not be reminded in any way if they need money or if their accounts are negative.

Every Monday and Thursday, families of students who have a negative balance will receive an electronic email and may receive a phone call from the kitchen staff. If at any time throughout the school year you are having difficulty paying for your student’s meals, you may fill out a free/reduced meal application or work out payment arrangements with the district.

Pullman School District Meal Charges / Unpaid Meals Procedure for Middle School and High School Students:

Students will be reminded if they need money in their accounts. The only statement that will be made to your middle or high school students is that it is time to bring money. No mention of negative account balances or amounts will be made. If you do not want your student purchasing a meal or ala carte item at school, we must receive a phone call from you in advance. Please call 509-332-5179.

Students will not be allowed to purchase second entrees or ala carte items if they do not have money for the purchase, either on account or cash. No change will be given back to students when making purchases. Please ensure exact change or plan to put the total amount on your account, which is a debit plan.

Every Monday and Thursday, families of students who have a negative balance will receive an electronic email and may receive a call from the kitchen staff.

District Employees:

District employees may use a charge account for meals, but may charge no more than two meals to their account. When an account reaches this limit, the employee will not be allowed to charge additional meals or ala carte items until the negative account balance is rectified.
