GREETINGS FROM THE PRINCIPAL

Hello to my wonderful, amazing and unbelievable Uniondale parents. It gives me great pleasure to welcome you and all of our scholars to the 2022–2023 school year! I am hopeful and excited for this upcoming school year. We will have wonderful learning opportunities that will take place for your children. The building administrative team, your teachers and staff have been working diligently on preparing programs, lessons and extracurricular activities that will enhance and support your academic, socio-emotional and developmental success.

Uniondale is recognized as a school of character and community, so we want to continue to build on that foundation of strength, intellect, creativity, culture, talent and most importantly...family. As a family, we will grow, learn and succeed together.

There will be some wonderful and different things happening this school year. What will not be different is the expectation for academic success, students in attendance, good citizenship and behavior; and the overwhelming idea that Uniondale High School is the best high school on Long Island. Knights eventually become Kings and Queens. Our expectations remain high, whether you are here in the building or in the community. As a community, we expect all of our scholars to come to school on time, prepared, ready to learn, interacting with your teachers and peers in a positive manner and giving 100%. This is how we build and give back to our community.

We are more than just a high school, we are the springboard, along with family, to our children's success and to Uniondale's greatness.

Please utilize the school webpage to stay informed of events and important dates. Important information is always posted to our website and it is updated regularly. Please sign up for and update your information on the parent portal so you can track your child's success. Student schedules, grades, progress reports and report cards will be available electronically through the portal.

It is my sincere hope that we can work together as one Uniondale community of parents, students, teachers, administrators and staff members for the most extraordinary school year ever. We do know that the sun always shines on Uniondale, so we will work through any obstacles and continue to build on our strong Uniondale legacy.

I wish you all a happy, healthy and successful school year. I am proud and honored to be your Principal.
U – STRONG!

Mark McCaw
