PARENT DEFINED

As used in this chapter, "parent", "guardian", or "other person having charge or care of a child" means either parent unless the parents are separated or divorced or their marriage has been dissolved or annulled, in which case "parent" means the custodial parent. If the child is in legal or permanent custody of a person or government agency, "parent" means that person or government agency. When a child is a resident of a home, as defined in section 3313.64 of the Revised Code, and his parent is not a resident of this state, "parent", "guardian", or "other person having charge or care of a child" means the head of the home.

No matter whether you grant, refuse or revoke consent, your child will be provided with all evaluation and/or the services listed in their IEP, AT NO COST to your family.* The School District's Medicaid billing process will not require you to incur any out-of-pocket expenses such as deductible or co-pay, decrease lifetime coverage, increase premiums or lead to the discontinuation of benefits, or result in you paying for services that would otherwise be covered by Medicaid. If you have questions regarding this form please call 419-671-0818.

Thank you for honoring our commitment to the safety of your children!

In order to stay healthy and ready to learn, your child should:

- Get plenty of sleep (10 to 12 hours per night are recommended for this age).
- Eat a healthy diet, including breakfast.
- Get up in plenty of time to get ready for school.
- Wear comfortable clothes that are appropriate for the weather.
- Keep your child home if he/she has a fever or show signs of a contagious condition (lice, pink eye or ring worm).

What Do I Need to Register My Child?

The State of Ohio requires children entering kindergarten to have all of the required vaccinations. These include the **DPT series** as well as immunizations against **measles, mumps, rubella, polio, Varicella** (chicken pox) and **Hepatitis B**. For specific requirements, please contact your physician or the clinic at the Lucas County Health Department at 419-213-4100.

You will need to present a legal birth certificate for your child when you register. If you do not have a birth certificate, you may obtain one from the Lucas County Health Department. In addition, you will need proof of your child's social security number. Parents and guardians will have to show a picture ID **and** two proofs of address for the family.

All children entering kindergarten must be five years old **on or before September 30**. Chronological age is not always the most important factor in determining a child's readiness for school. Some children may profit from delaying kindergarten one year.

ACCEPTABLE USE, EMAIL, & INTERNET SAFETY POLICY

Toledo Public Schools, hereafter referred to as TPS, is pleased to make available to students access to interconnected computer systems within the District and to the Internet. As the District continues its adoption of online learning, there are times in which your child may be required to access managed software programs for instructional purposes. This along with the required online State testing, will be exempt from the "opt out" choice of the Acceptable Use Policy. Toledo Public School students, Grades 8-12, will be assigned a student TPS account and password, which will include a TPS student email. The student account, along with email, is meant to enhance student learning.

In order for TPS to be able to continue to make its computer network and Internet access available, all students must take responsibility for appropriate and lawful use of this access. While the District's teachers and other Staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Below is the Acceptable Use and Internet Safety Policy ("Policy") of TPS. Upon reviewing, signing, and returning the signature page, each student will be given the opportunity to enjoy Internet access at TPS subject to the conditions of the Policy. If a student is under 18 years of age, he or she must have his or her parents or guardians read and sign the Policy.

If any user violates this Policy, the student's access will be denied, if not already provided, or withdrawn and he or she may be subject to additional disciplinary action and/or legal action based on federal, state, and local law.

A) ACCEPTABLE USES

Educational Purposes Only. TPS is providing access to its computer networks and the Internet for educational purposes only. The user in whose name an online service account is issued is responsible for its proper use at all times. Users shall keep personal account numbers and passwords private.
