

Virtual Cafes

What is a Virtual Cafe:

Virtual Cafes are meant to share resources in the community to benefit you and your family. These 20-minute sessions highlight a community agency and the services they offer. These are recorded and uploaded to social media for your viewing at any time. Recordings can be found on FaceBook [**@TPSfamilyandschool collaborative**](#)

To Register: Find the session/date you would like to attend. Click on RSVP in the last column below and complete the required information.
