

## EXPENSE REIMBURSEMENT REGULATION

The district shall reimburse district employees, officials and members of the Board of Education for reasonable, actual and necessary out-of-pocket expenses incurred while traveling for school-related business upon receipt of a completed voucher with itemized receipts along with approved attendance form. The following rules shall guide the reimbursement of school-related travel expenses:

### Documentation:

Adequate supporting documentation must be provided. The following is not acceptable:

- credit card slips which only show a total but no detail
- credit card statements (unless it shows exactly what items were purchased and when)
- a receipt without item description
- documentation without a date (must include month, day and year)

### Transportation

- Travel shall be by the most economical method, whether by private automobile, school vehicle or common carrier such as bus, train or plane.
- If travel is by private automobile, mileage shall be reimbursed at the level approved by the Internal Revenue Service for business travel. Parking and tolls will also be reimbursed but gasoline will not.
- Rental car expenses will be reimbursed only if authorized in advance or in case of an emergency, i.e., breakdown. Only the Superintendent of Schools or Business Administrator may authorize this expenditure. Receipts must be attached.
- Air travel is only allowed when determined by the Board President or the Superintendent to be in the district's best interest. Air travel shall be reimbursed at the lowest feasible fare available and shall not exceed regular coach class fare. Travel arrangements should be made as soon as reasonably practicable so as to avoid payment of a higher fare due to a late booking.

### Lodging

- Persons traveling on district-related business are expected to secure the most reasonable rate for necessary hotel accommodations. The district will reimburse for actual lodging fees up to the maximum lodging fee set by the federal government for that location.
- When the rate is pre-determined by the organization sponsoring the event, the traveler shall secure a room rate at no more than the pre-determined rate notwithstanding what the federal travel reimbursement rate is. Hotel

accommodations at a rate other than the most reasonable rate or a pre-determined rate described above will be reimbursed only if approved by the Board President (for members of the board and the Superintendent) and the Superintendent (for all others) prior to the stay.
