

About Dolly Parton's Imagination Library

Dolly Parton's Imagination Library is a book gifting program that mails free, high-quality books to children from birth until they begin school, no matter their family's income. After launching in 1995, the program grew quickly. . The first book order in 1995 totaled just over 1,700. Today, Dolly Parton's Imagination Library sends more than one million books per month to children around the world inspiring them to Dream More, Learn More, Care More and Be More.

How It Works

Each month, Dolly Parton's Imagination Library mails a high quality, age appropriate book to all registered children, addressed to them, **at no cost to the child's family**. Countless parents have shared how excited their child is when their new book arrives each month. Many groups and individuals work hard behind the scenes to make that special moment possible for each child.
