

School-Family Compact Defined

Our annual school-family compact offers ways for stakeholders to work together to ensure our scholars succeed particularly academically but also through opportunities for constructive exposure. It is an agreement that families, scholars, and the school develop together. The compacts are reviewed and revised annually during the Title I Input period using the Qualtrics feedback survey and used as guidance during parent-teacher conferences. This compact provides strategies to help connect learning at school and at home.

Jointly Developed

Families, scholars, and staff worked together and shared ideas to develop the school-family compact. Educators met within their subject area teams to design practical strategies for parents to use at home.

Parents provided valuable feedback on their needs to effectively support their scholars. Meetings were conducted to review and revise the school-family compact based on the academic achievement goals and scholar needs.

A sample of multi-grade level scholars was invited to share their input on the school-family compact.

Parents are always welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.

2022-2023 School Goals

The RISE Preparatory School will increase the percentage of scholars in grades 6, 7, and 8 who perform at Proficient Learner Level and above on the Georgia Milestones Assessment by five percentage points in English Language Arts (26.81% to 31.81%) and Math (11.43% to 16.43%) by May 2023.

Stakeholder Engagement

There are many opportunities for families to volunteer and play an active role in their scholar's education. Some examples of opportunities for engagement are:

- Classroom Observation
- Academic Parent Workshops
- Annual Title I Parent Meeting
- Family University Nights
- Parent Volunteers
- Parent Resource Suite
- Computer Usage 101 Sessions for Parents

Do you have other ideas on how to help parents be more engaged? Please contact

Parent Resource Suite

Open M – F, 8:00 AM-2:00 PM

Scholar Progress Communication

The RISE Preparatory School offers ongoing events and opportunities to provide families and scholars with current academic status reports and reasonable access to staff:

- School Website
- Scholar-Led Conferences or ePortfolio
- Parent-Teacher Conferences
- ClassDojo and Facebook
- Infinite Campus
- Family University Nights
- Parent Resource Suite
- Progress Reports/Report Cards

Academic Emphasis (2022-2023)

English-Language Arts focuses on

- Challenging and more sophisticated texts and concepts like analyses
- Inferences and highlighting relevant evidence
- Identifying connections, and complexities in the narratives, recognizing how the language affects tone
- Identifying author's biases
- Grammatical structure
- Writing arguments to support claims with clear reasons and evidence
- Determining the central idea of the text

Mathematics focuses on

- The Number System
- Ratios & Proportions
- Geometry
- Statistics & Probability
- Equations & Expressions
- Functions
- Word Problems
- Constructive Response

As a school, we will...

- Develop interactive homework assignments in Math and ELA that focus on building competence in reading, vocabulary, and mathematics standards.
- Provide online resources and academic workshops for families to support their scholars.
- Administer benchmark exams through MAP to provide scholar's subgroups with an Individual Learning Pathway in ELA and Mathematics.
- Provide Math and ELA resources and homework activities for parents to practice and review with their scholar for a minimum of 30 minutes, 3-5 days per week.
- Encourage families to use the Parent Resource Suite to find other resources and strategies that support scholar learning.
- Invite families to monthly Family University Night for strategies to use at home.

As a family, we will...

- Use the interactive homework assignments in Math and ELA to review and reiterate what my scholar has gained in school.
- Attend reading and math workshops and encourage my scholar to use the online resources provided.

- Attend monthly subgroup meetings to further understand my scholar's MAP benchmark results and how to support my scholar at home using their Individual Learning Pathway.
- Support my scholar with Math and ELA homework assignments for a minimum of 30 minutes, 3-5 days per week.
- Visit the Parent Resource Suite for strategies and resources in Mathematics, Reading, and Writing to support my scholar at home.
- Attend the monthly Family University Nights for strategies to use at home.

As scholars, we will...

- Complete the interactive homework assignments with my family making sure to note the problems or questions that I do not understand.
- Use the online resources provided and encourage my parents/guardians to attend ELA and Mathematics workshops.
- Review my MAP benchmark data from the Individual Learning Pathway with my family and use the strategies to support my academic success.
- Complete nightly Math and ELA homework assignments for a minimum of 30 minutes for 3-5 days per week.
- Visit the Parent Resource Suite with guardians for additional academic support.
- Encourage my family to attend monthly academic information meetings and workshops with the administration to get an understanding of how to support scholar achievement.
