 Title I Parent & Family Engagement  
 School Parent & Family Engagement Survey  
 Survey Year: 2018-2019

Dear Parents/Guardians and Family Members,

The RISE Schools are Title I schools, and as a parent/guardian/family member of a child attending a Title I school, you are an important part of the Title I team. Your input is vital in the planning and implementation of the parent and family engagement program in both of our school. The focus of the all Title I programs is to help eligible scholars meet the same high academic standards expected of all children, regardless of their socioeconomic status and background. The following survey is confidential and will be used to assist us with future planning for parent and family engagement activities and events at The RISE Schools. We appreciate your feedback and thank you for taking the time to complete this survey.

All surveys may be returned to Ms. Jackie Goodman-Cook in the Parent Resource Suite or main office. Hard copies may also be mailed to 2626 Hogan Road, East Point, GA 30344. The survey may also be completed online through the campus website ([www.theriseschools.org](http://www.theriseschools.org)) under either RISE Grammar School or RISE Charter Preparatory School Title I tab.
