

## **SCHOOL SECURITY**

**Security shall be provided in accordance with applicable State law. School security officers shall be employed and may be designated campus police with law enforcement powers by the Board upon the recommendation of the superintendent and shall have such duties as are directed or are approved by the superintendent of schools. The security department shall be identified on all letterhead, patches, badges, motor vehicles and other identification media as “Campus Police” or “School Police.” Variation from the above mandated designations must be approved by the superintendent, in writing. As required by law, the Director of Security or his/her designee shall notify the building administrator and the parent or guardian of any student taken into custody by a campus police officer.**
