

## **ESTABLISHMENT OF BOARD OF EDUCATION POLICIES**

**The Board of Education shall adopt policies governing the district and review them on a regular basis. Any suggested additions or amendments to the Board of Education policies shall be presented in writing to each member of the board and included on the agenda of a regular meeting.**

**Any suggested additions or amendments to Board of Education Policies should first be submitted to the board as a discussion item at a regular or special meeting. No action on the proposal shall be taken at that meeting. At a subsequent regular or special meeting of the board, the board shall consider and may take action on the proposal. Nothing in this policy shall preclude the board from taking immediate action to adopt or amend board policies.**

**The policies of the board shall take effect and be in force from and after their date of adoption, and all conflicting policies of the board previously adopted, with the amendments thereto, are automatically rescinded.**

**The superintendent shall administer the district in accordance with board policies and is authorized to adopt and approve administrative regulations to facilitate their implementation. Any additions or amendments to the superintendent's Administrative Regulations shall be submitted to the Board in writing prior to the intended effective date. Such regulations shall not take effect until after the next regularly scheduled board meeting.**
