

GRADUATION CEREMONIES

In order to ensure the solemnity and appropriate decorum for the high school graduation ceremonies, the following requirements shall govern the Board of Education's participation in such ceremonies:

- 1) The president, or designee, will bring greetings on behalf of the Board.**
- 2) The Board Members present at each graduation shall determine which board members will distribute diplomas and greet students.**

Board Members not assigned to present diplomas may present diplomas to relatives or other students they know, as long as it is not excessive or disruptive.

The Superintendent of Schools shall promulgate an administrative regulation detailing other arrangements necessary to establishing consistent graduation ceremony procedures for all USD 501 high schools.
