

Campus Care Telehealth Services

Attention Topeka Public Schools staff, students, and parents/guardians:

During Summer Break, the clinic will be closed, but will be providing telehealth services 6/17/22 to 8/2/22.

Our first day back in the clinic will be 8/3/22.

When we are open for telehealth, Jamie Glaser (RMA) will be checking phone messages several times a day. Please call 785-295-3256 and she will return your call in a timely matter.

We are here for you if you need anything over the summer!
