Title I School-Parent Compact

What is a Compact?

A compact is a written statement of what schools, parents, and students agree to do to help children achieve. As a Title I school, this compact has been developed to help strengthen the communication and educational efforts between the school, parent(s), and students.

Our Compact

Our school and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

Our school will:

- **Provide high quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the standards.**

Reading and math curriculum maps are aligned to the Arizona's academic standards and available for review. The district embeds professional development focused on creating high expectations and utilizing available district assessments to meet the needs of students.

- **Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.**

*Parent-teacher conferences will be held October 12-14, 2022 and March 9-10 2023.
Translators will be provided at conferences if needed.*

- **Provide parents with frequent reports on their children's progress.**

Progress reports will be distributed on September 2, 2022; November 18, 2022; February 3, 2023, and April 14, 2023.

Report cards will be distributed on October 14, 2022; January 6, 2023; March 10, 2023; and May 25, 2023.

Title I reading teachers will collaborate with classroom teachers in developing progress reports and report cards and will provide additional reports on student progress as appropriate.

- **Provide parents reasonable access to staff.**

An "Open Door Policy" exists for parents to enter the school, ask questions, request phone conferences, request homework, and request parent meetings.

- **Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.**

Parents are invited to volunteer in their child's classroom or the school and should contact their child's teacher to arrange these activities.
