Dear parents,

Today, we are excited to roll out a new initiative for school safety. We told students about it in assemblies this morning. Please read this letter from Crimestoppers to learn more.

Dear Parents and Guardians,

Today your student was presented with information on how they can help make their school and community safer by reporting dangerous or concerning behaviors. The **Crimestoppers Safe Schools Louisiana** anonymous reporting solution was presented to our students and they were asked to download the mobile app if they had a mobile device. It is also available to all parents and guardians for free through apple or google play.

Students can use **Safe Schools Louisiana App** to report: bullying, suicide concerns, depression, sexting, stealing, threats, cutting, abuse, dating and domestic violence, fights, drugs, alcohol, weapons or other types of dangerous situations that threaten their safety or the safety of others for the purpose of prevention and interventions.

Safe Schools Louisiana will help keep our students and our school be safer by:

- Creating a positive school culture and community
- Giving students a voice to share concerns
- Gathering information to then proactively address concerns.
- Preventing tragedies from the personal level to the community level
- Building trust within our school community

Please encourage your student to use this life saving technology to better our schools and community. You may also visit our website to learn more about the program at www.safeschoolsla.com.

Sincerely,

Darlene Cusanza
President & CEO
